

Necessary files or information for the validity of the Soft-eLicenser have been changed or corrupted. This can be caused by exchanging single files, the usage of cleanup and backup tools or similar. Soft-eLicenser 'SeL Nr. 1830758057 - 1687E2A544' and stored licenses have been disabled. Hardware eLicensers are not affected!

Please contact your software vendors' support department for help and reactivation.
