

The image shows a screenshot of the Dorico music notation software interface. A dark error dialog box is centered on the screen, partially obscuring the musical score. The dialog box contains the following text:

**Dorico** [Close] X  
no such file or directory Error creating zip file: C:/Users/usuario/AppData/Roaming/Steinberg/Dorico 3/Autoguardar/el boberol new final 2note performer6 version.dorico [OK]

The background shows a musical score with two staves. The top staff contains a melodic line with notes and rests, and the bottom staff contains a bass line. The score is divided into measures, with measure numbers 160, 161, 162, 163, 164, and 165 visible at the bottom of each measure. The notes in the top staff include a half note, a quarter note, and a quarter note with a sharp sign. The bottom staff shows a bass line with notes and rests.
